INTERNATIONAL CONFERENCE OF CHIEF JUSTICES OF THE WORLD

THE HON JUSTICE MICHAEL KIRBY AC CMG

Although not a Chief Justice, I have attended a number of the conferences at the city Montessori School in Lucknow, India. The School was the Laureate of the 2002 UNESCO Prize for Peace Education. It has a huge student population, a dedicated Faculty and innovative facilities committed to peace, learning and multiculturalism.

I have enjoyed my encounters with the students, staff, visiting judges and the local judiciary and legal profession. We must all be linkages with each other for this is where the foundation for the survival of the planet and of our species will be assured.
